Control Transformer

**HPS Spartan**  
Industrial Open Core &  
Coil Control Transformer

Custom Control Transformers

HPS is one of the industry's most technically capable manufacturers producing the broadest and most competitive range of control transformers.

HPS can provide standard and custom control transformers to fit your design style requirements for most applications. These include machine tool rated, industrial, medium voltage and even encapsulated. HPS has the engineering and manufacturing resources to deliver your control transformer how you want it and when you need it.
