Hammond Power Solutions appoints Phill Picassinis as new Regional Sales Manager

GUELPH, ON (May 26, 2025) -- Hammond Power Solutions (HPS), a leader in dry-type transformers and power quality solutions, is pleased to announce the appointment of Phill Picassinis as the Regional Sales Manager for Eastern GTA, Ontario.

Phill will lead our sales efforts in the Eastern GTA, focusing on strengthening customer relationships and implementing regional strategies that align with our national sales objectives.

“Phill brings a wealth of experience to this position”, stated Domenic Giovinazzo, Canadian National Sales Manager. “Since joining HPS in 2011 as an Electrical Designer and later advancing to Electrical Engineering Manager for low voltage products, he has demonstrated exceptional technical expertise and a deep understanding of our product offerings. His extensive background in custom orders, cross-functional collaboration, and customer support uniquely positions him for success in this role.”

ABOUT HAMMOND POWER SOLUTIONS INC.

Hammond Power Solutions Inc. (“HPS” or the “Company”) enables electrification through its broad range of dry-type transformers, power quality products and related magnetics. HPS’ standard and custom-designed products are essential and ubiquitous in electrical distribution networks through an extensive range of end-user applications. The Company has manufacturing plants in Canada, the United States (U.S.), Mexico and India and sells its products around the globe. HPS shares are listed on the Toronto Stock Exchange and trade under the symbol HPS.A.
